

Studio31 Policies

1. Payments are due at the beginning of the month for the entire month.
 - a. Payments will be accepted by check or through the website options (Paypal, Venmo, or CashApp). Receipts will be sent out in the middle of the month, via email.
 - b. Students must commit to 4 weekly lessons per month.
 - i. 30 min lessons (25x4) will be \$100
 - ii. 55 min lessons (35x4) will be \$140
 - c. Once our schedule is made, I will send out email reminders to the student or parent on a weekly basis. If you or I need to reschedule, there should be at least 24 hours notice in order to find a working time slot for both of us within that same week. Rescheduled lessons will 90% of the time be on Zoom.
 - d. If I need to cancel a lesson for any reason, your lesson fee for that day will roll over into the next month. If you cancel before the 24-hour notice mark, you will receive half of your lesson fee for that day roll over into the next month. If you are a no-show, the lesson fee will still be collected.
2. I do record the lessons so that I am able to fully assess your student's needs and progress. After every lesson, I make notes and list everything we did. If you ever need to see my notes or ask about their progress, I will be happy to share with you!!
3. Please let me know of any extra-curricular commitments already made (music related or not) so that I can have an idea of their availability and ability to commit to Studio31. I would never want students to get overwhelmed, especially after the year they just endured.
4. I want my students to think of me as their teacher and/or voice coach, but also their cheerleader! It is my belief that music is a vital source for happiness in life and I want all "my kids" to be happy and successful in all they undertake. That being said, I find it easiest to be encouraging when reminding your student to practice. ☺
